2025 KINDERCAMP FOR GIRLS

A FIRST TIME SUMMER CAMP EXPERIENCE

Friday, June 13 - Sunday, June 15, 2025 OR Wednesday, August 27 - Friday, August 29, 2025

At Tanamakoon, girls ages 4-6 can have their first overnight camp experience for 3 days in either early or late summer. The program will allow your daughter to participate in activities such as crafts, canoeing, fishing and games. Campers will also go on a cookout and have a chance to be in "skit night". Children may attend both Kindercamp sessions if they wish.

- Children live in cabins with 4 - 6 girls and 3 staff members. Our highly qualified and mature staff will ensure a safe, caring, supportive and fun environment for your daughter's stay at camp.
- Meals are served family style in our dining room and campers will also have a nighttime snack.
- Transportation is provided to and from Toronto by bus. Tanamakoon is located three hours north of Toronto on its own lake in Algonquin Park. Children can also be picked up or dropped off at Cache Lake Landing in Algonquin Park.
- Applications for 2025 will be accepted in the order in which they are received. Campers will receive a package of information in the spring regarding clothing, travel times and health forms. There is limited space in this program. We urge you to register early!
- Have your daughter join us at Tanamakoon to enjoy her first fun-filled, brief overnight camp experience. These three days at Tanamakoon could be the beginning of many happy summers of fun and adventure resulting in happy memories and life-long friendships.
- Girls ages 4 - 6 years - nursery school to the end of grade 1 (presently). Please note: if your daughter is presently in grade one and is 7 years old she still qualifies for Kindercamp this year.

Before May 1st (905) 338-9464

After May 1st (705) 633-5541

Tanamakoon, 1032 Oxtongue Lake Rd. Dwight, ON P0A 1H0

PARENTS OF TANAMAKOON KINDERCAMP FOR 2024

Over 130 families from the Southern Ontario region sent their daughters to Tanamakoon in 2024 early and late summer sessions. In the interests of privacy, we no longer list the names of these families.

However, we are happy to provide you with the family name of campers who may live in your area if you need further information about Kindercamp.
